

RADIANT: FACES INFO PACK

Hey, y'all! This PDF contains a whole bunch of supplementary information about the Radiant Teachers that will help you decide if the class is right for you & make the most of your experience.

MEET THE TEACHERS

There are nine teachers in **Radiant: Faces** including me, your hostess, Effy Wild, I am blessed to be joined in this collaboration by Jane Davenport, Tamara Laporte, Christy Tomlinson, Kylie Fowler, Jamie Dougherty, Dina Wakely, Julie Gibbons, and Joanne Sharpe. Each teacher will tackle a different 'character' in a lesson that is designed not only to teach you how to paint that character but also to connect with that aspect of your own inner life in a self-loving way. The characters and styles that each teacher will cover are listed along with bios and website links below. You'll find sample art on the last few pages of the PDF in a glorious gallery of goodness.
